#### AGREEMENT AND DISCLAIMER

Courses completed through the New York District School of Ministry (NYDSOM) that are required by the Assemblies of God for credentials meet the *educational requirements* of the general council for the respective level of credential. Completion of courses, however, does not guarantee that a ministry credential will be granted, or that preferential treatment will be given to those completing the required ministerial training courses through the school of ministry. The credentialing of ministers is a process separate from completion of the educational requirements. NYDSOM is a non-accredited Bible institute. While endorsed by the Executive Presbytery of the general council of the Assemblies of God for ministerial training, courses completed through the school do not qualify for college credit.

Students are to read the school **Academic Catalog** thoroughly to insure an understanding of all policies, requirements, and expectations between the student and New York District School of Ministry (NYDSOM). By signing that you have read the Academic Catalog, you are stating that you agree to abide by the policies of the school, and will follow the guidelines of said policies and procedures while a student in NYDSOM.
